Currie Group Consumables

ABOUT

All of us are now familiar with the increasing demands of today's Printing Industry "I NEED IT NOW" way of life. Our clients continually demand an unconditional expectation of quality at no extra cost, typically part of their request.

We offer our customers the assurance of compatibility and consistency. We want you to have a product mix that gives you a "first time every time result" optimizing available production time.

Why would you compromise your clients demands when the "Currie Group" has all the answers in a "One stop Consumable shop" solution?

Currie Group offers a comprehensive but always compatible selection of consumables from manufacturers where quality is never compromised, maintaining long term partnerships from all corners of the globe.
